I keep looking back over my shoulder but the footsteps  
of a fool is all I see  
I keep looking back over my shoulder  
Hoping someday I'll see you smile and looking back at  
me  
It makes no difference now who was right who was  
wrong  
Too late to go back now I've been away too long  
I keep looking back over my shoulder  
Hoping someday I'll see you smile and looking back at  
me  
I walk along now on this road of regret  
And the miles between us they had let me forget  
I keep looking back over my shoulder  
Hoping someday I'll see you smile and looking back at  
me  
Hoping someday I'll see you smile and looking back at  
me
