I'm not so easy anymore you'll find it rougher than
before
I guess you've noticed how I've changed since you've
walked out the door
You say you made a big mistake but you're telling me
too late
You just can't come back like before I'm not so easy
anymore
I know just how you work and I know that you'd hurt me
again and again
Your being here is no surprice and I can see it in your
eyes
You need a friend it won't be me
I think it's time that you should go back to the friends
you say you know
And tell them I've been keeping score I'm not so easy
anymore
I think it's time that you should go...
