Why must I love the heartless one  
Who'll never know the harm she's done  
Though love is blind, I should have known  
Just call me lonesome from now on

I climb the stairs up to my room  
But there's no one to meet me in the gloom

The silence tells me she is gone  
Just call me lonesome from now on

These walls will hide me when I cry  
And I hope that heaven lets me die  
What good is life when hope is gone  
Just call me lonesome from now on  
Just call me lonesome from now on
