Well I pulled outta Pittsburgh a rollin' down that Eastern Seaboard

I got my diesel wound up and she's a runnin' like a never before

There's a speed zone ahead alright I don't see a cop in sight

Six days on the road and I'm a gonna make it home tonight

I got my ten forward gears and a Georgia overdrive  
I'm takin' little white pills and my eyes are open wide  
I just passed a Jimmy and a White I been a passin' everything in sight

Six days on the road and I'm a gonna make it home tonight

Well it seems like a month since I kissed my baby goodbye

I could have a lotta women but I'm not like a some other guys

I could find one to hold me tight but I could never make believe it's alright

Six days on the road and I'm a gonna make it home tonight

[ guitar ]

ICC is a checkin' on down the line

Well I'm a little overweight and my log book's way behind

But nothin' bothers me tonight I can dodge all the scales alright

Six days on the road and I'm a gonna make it home tonight

Well my rig's a little old but that don't mean she's slow  
There's a flame from her stack and that smoke's a blowin' black as coal

My hometown's a comin' in sight if you think I'm a happy you're right

Six days on the road and I'm a gonna make it home tonight

Six days on the road and I'm a gonna make it home tonight

Six days on the road and I'm a gonna make it home tonight
