For all the times that we,
We ever wouldn't be,
Look at us baby,
Look at us now,

For everyday that I
Should have you by my side,
We'll make it baby,
Look at us now,

For every night I pray,
I know that you will stay,
Look at us baby,
Look at us now,

Remembering the time
Our love was not so fine,
We made it baby,
Look at us now,
Baby look at us,

Everybody believed we would never be,
Look at us up above,
We are so in love,
Everyday in your arms,
Baby can't go wrong we are strong look at us now,

For all the times that we,
We ever were to be,
Look at us baby,
Look at us now,
For everyday that I
Should have you by my side,
We'll make it baby,
Look at us now,

For every night I pray,
I know that you will stay,
Look at us baby,
Look at us now,

Remembering the time,
Our love was not so fine,
We made it baby,
Look at us

Baby look at us,
Baby look at us,
Baby look at us.

Everybody believed we would never be,
Look at us up above,
We are so in love,
Everyday in your arms,
Baby can't go wrong we are strong look at us now,

For every night I dream
Together you and me
Look at us baby
Look at us now

And like a flower blooms
The glowing of the moon
We'll make it baby
Look at us now

But everyone believes,
That we could never be
Look at us baby
Look at us now

Now all ahead is gone
I knew it all along
We'd make it baby
Look at us now

Baby look at us,
Baby look at us,
Baby look at us.

Baby look at us
For every night I dream
Baby look at us
For every night I dream
Baby look at us
For every night I dream
Baby look at us
For every night I dream

Dream [fade]

For every night I dream

The more I do believe
Look at us baby
Look at us now

A bird up in the sky
Although we'll not deny
We'll make it baby
Look at us now

And all you ever do
I know you will be true
Look at us baby
Look at us now

A story of a guy
It's one that never dies
We'll make it baby
Look at us now

Baby look at us

For all the times that we,
We ever wouldn't be,
Look at us baby,
Look at us now,

For everyday that I
Should have you by my side,
We'll make it baby,
Look at us now,

For every night I pray,
I know that you will stay,
Look at us baby,
Look at us now,

Remembering the time
Our love was not so fine,
We made it baby,
Look at us now,
Baby look at us,

Baby look at us,
Baby look at us,
Baby look at us.
