Your god fucked me up the ass
Jesus Christ sucked my fucking ass
Your bible is such a piece of trash
I am the highest power
The leader of the pack

Hail Mary, is so full of shit
Virgin Mary, I'll rape that fucking clit
Jesus Christ was the son of a bitch
I am the highest power
The leader of the pack

Your church, let's bum it to the ground
Priest and nuns, let's put them in the ground
We don't need those lames to hold us back
I am the highest power
The leader of the pack
