What I got here  
Is the top of the line  
Ain't artificial  
Ain't no surprise  
It's tailor made  
To whatever you like  
You wanna have fun  
Come and look into my eyes

What makes you think everything that I got could ever  
be enough  
Promise if I give you a little bit, you'll fall deep n luv  
Deep N Luv  
Deep N Luv  
You'll fall deep n luv  
Deep N Luv

Pull your credit card out  
Put your cash on the table  
We can do body shots  
Make sure you put lime on my navel  
Pull your credit...  
Fill my cup  
Put your cash...  
Fill my cup  
Pull your credit...  
Fill my cup  
Put your cash...  
Fill my cup

I got your ticket  
If you wanna fly  
You'll go first class  
I bet you never been so high  
So step aboard  
I aim to please  
I'm everything them other girls are tryna be

What makes you think everything that I got could ever  
be enough  
Promise if I give you a little bit, you'll fall deep n luv  
Deep N Luv

Deep N Luv  
You'll fall deep n luv  
Deep N Luv

Pull your credit card out  
Put your cash on the table  
We can do body shots  
Make sure you put lime on my navel  
Pull your credit...  
Fill my cup  
Put your cash...  
Fill my cup  
Pull your credit...  
Fill my cup  
Put your cash...  
Fill my cup
