"Sunshine"

I know you're feeling down
That's why I've come around
You'll see it, you'll feel it
I know that you can do it

Sometimes this life can spin you
Right out of control
Just hold you tight
I'm here with you
You're not alone
I'm sorry, you worry
You're always in a hurry

Sunshine on your window.....Sunshine (x 4)
Ya...Ye...Ya...

Take a look outside
Sun is shining bright
And I'm feeling alright
Everything is fine

Times flies and you will see
So used it to be free
Your sorrows tomorrow
They hold you back no more
