Amarta, anachnu beyachad ze netzach  
Hivtachta olam she'sviveinu poreach  
Amarti le'kulam, she'atah belibi  
Nishbata she'lahad tiheh rak sheli  
Ech ze ha'lachta, ve'alayi kach vitarta  
teda, she'ha'derech etzli lo slulah  
Ani menasah, ach kasheh od yoter  
Ani lo rotzah, ve'gam lo avater  
Lama?...

Lama, ko sorefet vechoderet  
Ahava betochei metorefet  
Sholetet, koveshet, ma shaveh olami  
Mar li, lo mitgaberet, kach nishberet  
Lo motzet pitaron, menasah  
Kashe li norah

Kama yamim yafim ha'yu lishneynu  
Ha'yom shenay zarim la'ahava, ma asinu  
La'el noset tfila, ho ha'kol bishvili  
Saharat regashot, matkifah et libi  
Ba'laila, nodedet nishmati shuv eleicha  
Rotzah et libcha, ze kashe biladecha  
Ha'yom shuv chozer ve'kasheh od yoter  
Hamet, lo rotzah, ve'gam lo avater  
lama....? lama....?
