Amuse myself with pots of paint
Producing demons within us
Pointless trials but don't be late
'Cause someone's always pissed off.

Disrespect me 'cause I'm ugly
Don't give me your stupid pity.

There are no hands to tell the time
Master of my destination
Your selfish hands invade this time
And break through all of my fences.

Disrespect me 'cause I'm ugly
Don't give me your stupid pity.

Amuse myself with pots of paint
Producing demons within us
Pointless trials but don't be late
'Cause someone's always pissed off.

Disrespect me 'cause I'm ugly
Don't give me your stupid pity.

Disrespect me 'cause I'm ugly
Don't give me your stupid pity.
