I see  
I want you  
I need you  
Confront you  
I love you  
To rape me  
I need you  
To break me.

Tell me how to sit around  
Making my life so empty  
Tell me how to sit around  
I don't think you wanna know me  
Now  
Know me  
Now.

I feel you  
Conceal you  
I hear you  
I fear you  
I steal you  
To heal you  
I feed you  
And milk you.

Tell me how to sit around  
Making my life so empty  
Tell me how to sit around  
'Cause I don't think you wanna know me  
Now  
Know me  
Now.

I can't be  
I can't be what you want  
I can't be  
What you want  
I can't be  
I can't be what you want  
I can't be

What you want!

Tell me how to sit around  
Making my life so empty  
Tell me how to sit around  
'Cause I don't think you wanna know!  
Know!  
Know!  
Know!  
Know!  
Know!  
Know!  
Know!  
Know!  
Know!  
Know!  
Know!  
Know!  
Know!!!!

Ohhh, ohhh  
Oh, yeah, yeah!  
Ohhh, ohhh  
Ohhh, yeah, yeah, yeah.
