You think you know me
Tell me you're not wealthy
You still think you own me
Slide your mind's not healthy.

You hate me
Like I do
You waste me
When I'll waste you.

Your way to touch me
Your selfishness exceeds me
You can never reach me
Fake smiles are all too easy.

You hate me
Like I do
You waste me
When I'll waste you.

Fuck.

Narcissistic fakin'
That bitch besides you pains me
?
?

You hate me
Like I do
You waste me
When I'll you.

You hate me
(You hate me!)
Like I do
(Like I do!)
You waste me
(You waste me!)
When I'll waste you.
