There is something that I see
In the way you look at me
There's a smile there's the truth
In your eyes
But an unexpected way
On this unexpected day
Could it be this is where I belong
It is you I have loved all along

There's no more mystery
It is finally clear to me
You're the whom my hearts sreaked for so long
It is you I have loved all along

There are times I've ran to hide afraid to show the
other side
Alone in the night without you
But now I know just who you are
And I know you own my heart
Finally this is where I belong
It is you I have loved all along

There's no more mystery
It is finally clear to me
You're the whom my hearts sreaked for so long
It is you I have loved all along

(Music Plays)

Ooooh over and over
I'm filled with emotion
Your love and arrections
Goes through my vain
And I am filled with the sweetest devotion
As I look in your perfect face

There's no more mystery
It is finally clear to me
Your the whom my hearts sreaked for so long
It is you I have loved
It is you I have loved
It is you I have loved all along
