Versus-

We've only known each other
For a couple of days now
And ever since then
I sat and wondered why
Why I have these feelings
These feeling for you
And everytime you call me
You say I'm your boo

Bridge-

Oooh
I'm thinking bout what I would do
What I would do without you
You never acted like any fool
That's why I've fallin in love with you

Chrous-

I know this is love
If it's not what else could it be
Anyone could see
That this is love
It's only you and me
I know this is love
If it's not what else could it be
Anyone could see
That this is love
It's just you and me

Versus-

Many people are saying we're movin to fast
But I know in this relationship
Our love will last
See I don't care what anybodys thinkin
Or what they say about me
The only thing I know
It's that our love was meant to be

Bridge-

Oooh
I'm thinking bout what I would do
What I would do without you

You never acted like any fool
That's why I've fallen in love with you

Chorus-
I know this is love
If it's not what else could it be
Anyone could see
That this is love
It's just you and me
I know this is love
If it's not what else could it be
Anyone could see
That this is love
It's just you and me

Oh oh(x7)

Chorus-
I know this is love
if it's not what else could it be
anyone could see
that this is love
it's only you and me
I know this is love
if it's not what else could it be
anyone could see
that this is love
just you and me
