Other guys' girls seem to look even better.
Go out and get them other guys' girls.
Other guys' girls seem to treat them so right.
More charm, no lies.
Other guys' girls.
Other guys' girls always look so disarming,
Oh so charming, so alarming!
Why can't you be like those other guys' girls?
Other guys' girls never have much trouble showing
affection,
Other guys' girls.
Other guys' girls seem much better to my eyes.
More charm, no lies.
Other guys' girls.
Other guys' girls, so good to their men!
Other guys' girls so mesmerizing.
Why can't you be like those other guys' girls?

Sometimes, I wonder if it's really me.
All kinds of trouble that I'm giving you.
I must be calm.
And I've got to try to work it out.
Other guys tell me they feel the same way,
Can't keep their eyes off other guys' girls.
They all say that I'm very lucky. They wish they had
This guy's girl.
So, I say I'm sorry, please don't worry.
I'll try to stop my eye from wandering.
Till I act more like those other guys.
Why can't I be like those other guys?
Why can't I be like those other girls' guys?
