Sometimes I think, when I look up real high
That there is such a big world up there I'd like to give it
a try
But then I sink, 'cause it is here I'm supposed to stay
But I get so lonely down here, tell me why's it have to
be that way?

Up there there is so much room
Where babies burp and flowers bloom
Everyone dreams, I can dream too
Up there, up where the skies are ocean blue
I can be safe and live without a care up there

They say I don't belong I must stay below alone
Because of my beliefs I'm supposed to stay where evil
is sown
But what is evil anyway? Is there reason to the rhyme?
Without evil there can be no good so it must be good to
be evil sometimes

Up there there is so much room
Where babies burp and flowers bloom
Everyone dreams, I can dream too
Up there, up where the skies are ocean blue
I can be safe and live without a care, live without a care

If only I could live up there
I wanna live, I wanna live up there
Ooh baby, ooh I want to live up there
