Evil controlling my mind  
In my unveiling body of hate  
My heart, my malicious tongue  
Prays the way to insanity

My mind  
Body of hate  
Malicious tongue  
To insanity

Be the son of the devil  
On the path of evil incarnation  
I'm above and in you  
My ecstasy is in yours

My mind  
Body of hate  
Malicious tongue  
To insanity

Be the son of the devil  
On the path of evil incarnation  
My joy is to see your joy  
Under the inverted crosses of the lord  
I take away your life  
Save your soul in black dimension  
My joy is to see your joy  
Under the inverted crosses of the lord

Before you are leaving your body  
Pray to the apostle of infinity  
You cannot see me  
As a stranger but no other god  
You are the chosen one  
I will lead you to the Lord of Thebes  
You are the chosen  
I will lead you to the Lord of Thebes

My joy is to see your joy  
Under the inverted crosses of the lord  
I take away your life  
Save your soul in black dimension

My joy is to see your joy  
Under the inverted crosses of the lord

My mind  
Body of hate  
Malicious tongue  
To insanity

Be the son of the devil  
On the path of evil incarnation  
I'm above and in you  
My ecstasy is in yours

My mind  
Body of hate  
Malicious tongue  
To insanity

Evil controlling my mind  
In my unveiling body of hate  
My heart, my malicious tongue  
Prays the way to insanity
