Remember Insanity you're running the show
Who's going to tell them that it's time to go
Mock the player with the monkey face
Or any man that wanna take his place

Yeah we are drunk with power
Join our bloody parade
Break out your umbrellas today
Insanity rains
Rains insanity

Push it on ???
Pusher man
Who's your man
Come and see us every chance they can
Come on

Sip on a little bit of wickedness
Hey man can you dig this
I knew that you could

We are drunk with power
Join the bloody parade
Break out your umbrellas today
Insanity rains
Rains insanity
Come on
Yeah
Do it
Do it

Now forecast tomorrow
Insane

Sipping on a little wickedness
Hey babe can you dig this
I knew that you could

Now we are drunk with power
Join our bloody parade
Break out your umbrellas today
Insanity rains

Rains insanity

Rains

Do it

Do it

Come on

Do it

Do it

Oh

Do it

Do it
