Today we all got to be brave  
We all got to be brave

Oh I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate through  
Unexhausted  
Has been my virtue

Oh I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate through  
Unexhausted  
Has been my virtue

They set themselves against I  
They set my pride on fire  
Phoenix always rises high  
Rebel crusaders

Today we all got to be brave

Oh I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate through  
Unexhausted  
Has been my virtue

Oh I've hoped for comfort  
But I've never felt too safe  
And in this hard life  
I've had to navigate through  
Unexhausted  
Has been my virtue

The paradox of poverty  
Has left us dismayed  
Sliding democracy  
Washing away

The toil of the many goes  
To the fortunate few

The Revolution Solution  
Oh I've come to join you

Yeah I'm coming  
I'm coming  
You know  
You got to be brave  
You got to be brave
