Owww get your groove on  
New shiny shoes on

I'm a comin' in on lust and resurgence  
With all my love I overflow the river Nile  
Rolling on for thousands of miles  
We can celebrate your inner horizon  
We can activate our Christ teach, too  
Oh we'll have our fun

I am heaven in the spirit of the sun  
I'll meet you when the day breaks through  
It's time to shine and make  
All your dreams come true  
You wish upon a dog star  
Wish upon a dog star

I've been worshipped by the buried ancients  
Who asked for love  
I gave them love radiations  
And even hiding the sensations

Yeah we can celebrate our inner horizon  
We can activate our Christ teach, too  
Oh it'll be fun!

I am heaven in the spirit of the sun (Get your groove  
on, new shiny shoes on)  
I'll meet you when the day breaks through (Rocking me  
nightly, shining so brightly)  
It's time to shine and make  
All your dreams come true  
You wish upon a dog star  
Wish upon a dog star

We blink so brightly, light up the dark all night  
Oh hear me out  
I'm right up there with the brightest, I'm like a giant

I am heaven in the spirit of the sun (Get your groove  
on, new shiny shoes on)  
I'll meet you when the day breaks through (Rocking me

nightly, shining so brightly)  
It's time to shine and make  
All your dreams come true  
You wish upon a dog star  
Wish upon a dog star
