I could heal it up anytime I want  
Cause the pleasure is not in the pain  
It's in seeing all that the heart has done  
And breaking it all just the same

I tried a million things to guard my heart  
But I found my God breaking into it  
So I don't stop it now before it starts  
Cause brokenness has its benefits  
And I'm

Broken again  
My life is wading through the shattered past, broken  
glass  
Broken again, and I'm broken again  
I'm broken

I don't speak my mind every time I think  
Cause I find my resistance is thin  
My holding out, it takes me to the brink  
And that's when he breaks me again
