Seal their fate  
And wear the mark of evil  
666 upon their bodies  
Fallen kingdom - shall rise again  
New blood to appease the dark lord

Rise - Before the gates  
The prophets of evil have taken my soul  
Fire - To purify  
Powers of Satan  
And the fires of night

Seal their fate  
And wear the mark of Satan  
666 upon their bodies  
Fallen kingdom - Sodom  
Our blood shall - feed the demons

Rise - Before the gates  
The prophets of evil have taken my soul  
Fire - To purify  
Powers of Satan  
And the fires of night

Sacrificial Kingdom

Patron's of evil  
Legions of darkness arise  
Lead us into the fires of hell  
And descend to the Promised Land
