yab yum  
crazy cats  
yo, yo  
livin' Mo', 3rd storee, 3rd storee livin'  
crazy catz yeah

when they used to call me Triyo, they used to say 'who dat?'  
now i got a vhic [vehicle] all of them say 'tru dat'  
(play it again Mo')  
yo, i already knew that, i could do that  
my cruise cat, you shows me, i boo dat  
3rd storee cats best believe that imma blaze that  
crazy cats do the tracks, the radio will play that  
play haterz stay back  
now what would make me say that?!  
don't we go way back  
like go cats an' high chess \*?

i came to say what i'd do if we where to part  
all i can do is follow whats inside my heart  
it led me to you- now you wanna turn and walk away  
if we're still cool, then whydn't you tell me baaaybaay

#### CHOROUS:

is this the end?  
(is this the end)  
are we just friends?  
(uh huh, uh huh)  
girl yes or no, do i still have a chance?  
(mm hmmm)  
what must i do?  
(i do)  
what can i say?  
(i say)  
girl you still got my number  
please don't make me wonda' layta' [wonder later]

you used to be mine when the chips... where down  
and you made me smile those times i frowned  
but who filled your head and turned you all around

its been more than two weeks ain't gone back up on my  
hououooooouse \*?  
hope that your friend are not changing your mind for  
youuu  
guess those the things we go through yeah  
don't let what they say... teeeear us apart  
'cuz girl you keep breaking my heaaaaart!

is this the end?  
(is this the end)  
are we just friends?  
(oh yeahhh)  
girl yes or no, do i still have a chance?  
(haave a chance)  
what must i do?  
(i do)  
what can i say?  
(i say)  
girl you still got my number  
please don't make me wonda' layta'

is this the end?  
(is this the end)  
are we just friends?  
(just friends)  
girl yes or no, do i still have a chance?  
(oooooo)  
what must i do?  
(i do)  
what can i say?  
(i say)  
girl you still got my number  
please don't make me wonda' layta'

you used to be mine when the chips where down  
im so glad that you gone'd around  
don't tell me why you wanna break out  
(yo)  
we've gone too far to climb around

anything you can do i can do better  
i can do many things better than you  
if you ain't her bo, i stack chedda'  
baby please- you caught, not your cheese

bout to rhyme and graffitin'  
every show you see me in  
rock a bit of dee dee in' \*?  
i got the ingredeant  
ooh, we got a hater homing in  
yo, who is a comedian

i be eating weedies kid \*?  
so you can't see me kid

everybody servin' biz now  
coppin' whips now  
stackin' chips now  
spendin'-spendin' bottles of crystal  
yo, rollie on your wrist now  
you on the V.I.P. list now  
but if you dont make the money bag  
then you 'gon have to sit down

this is how it hits down  
jus' go spit-spit now  
ida' made the touch down  
lil Mo's a lil too much now  
got in to the break down  
to give up the platinum crown  
wassup with the 8 down  
your click is gunna sink down \*?

is this the end?  
(is this the end)  
are we just friends?  
(my friend)  
girl yes or no, do i still have a chance?  
(do i still have a chance)  
what must i do?  
(i do)  
what can i say?  
(i say)  
girl you still got my number  
please don't make me wonda' layta'

is this the end?  
(the end)  
are we just friends?  
girl yes or no, do i still have a chance?  
(i know... yea yea yea)  
what must i do?  
(i do)  
what can i say?  
girl you still got my number  
please don't make me wonda' layta'
