[Lil'Man] (3rd Storee)

Ooh, aw yeah, oh yeah, yeah, yeah

Ooh baby, aw yeah, oh

I never wanna see you girl my friend

(Girl my friend)

A year ago in school is where

It all began (it all began)

I walk you to the bus stop like everyday

And after then, we'd meet again, I'd feel OK

It came as a surprise

You were like one of the guys

Going to the crew (we'd all act a fool)

Then one day you came to me

(Day you came to me)

And I'm with you unhappy

But what should I do

How can I tell you

[3rd Storee]

I've been holding back so long

Thinking what I feel is wrong

Can't believe I feel in love

With such a friend of mine

You are everything to me

It's a shame I couldn't see

All the feelings rearranging

Right before my eyes

[Lil'Man] (3rd Storee)

I don't wanna take the risk of losing you

And if I have to keep it to myself

That's what I'll do

I get butterflies when I see you staring my way

Writing letters to myself to think of what to say

It's a feeling I can't hide (can't hide)

It's destroying me inside (inside)

My life is gone all week 'cause I can't get no sleep

And the way I look at you

Has got to catch the clues

And it's all to see

How you will respond to me

[3rd Storee]

I've been holding back so long  
Thinking what I feel is wrong  
Can't believe I feel in love  
With such a friend of mine  
You are everything to me  
It's a shame I couldn't see  
All the feelings rearranging  
Right before my eyes

I've been holding back so long  
Thinking what I feel is wrong  
Can't believe I feel in love  
With such a friend of mine  
You are everything to me  
It's a shame I couldn't see  
All the feelings rearranging  
Right before my eyes

[D-Smoove] (Girl)  
Hey, what's up Shanelle?  
(Hey Smoove, what's up?)  
Hey uh, can you keep a secret? (Yeah)  
Cool, well uh you know Lil'Man  
Got a big crush on you and all that  
(Are you serious?) Yeah  
(Well you know what, I gotta crush on him too)  
Oh for real, well let me go tell him then

[3rd Storee]  
I've been holding back so long  
Thinking what I feel is wrong  
Can't believe I feel in love  
With such a friend of mine  
You are everything to me
