He's like a king without a crown  
He wears it like a clown  
Watch him disappear  
I wish he would come down

So, call before you drown  
I won't always be around  
Living for the bottle  
He's living for the bottle

He's a ship without a sail  
He's not listening when you speak  
Living for the bottle  
He'll be sitting there all week

So, call before you drown  
I won't always be around  
Living for the bottle  
He's living for the bottle, yeah

There's no light on in his eyes  
How heavy are the lies  
Just jumped right out his skin  
He'll take you for a ride

Living for the bottle  
He's living for the bottle  
So, call before you drown  
I won't always be around

He's a dog without a bite  
Still looking for a fight  
All in black  
He won't be home tonight

Yeah, there's no light on in his eyes  
How heavy are the lies  
Just jumped right out his skin  
He'll take you for a ride

Living for the bottle  
He's living for the bottle

I won't always be around  
So, call before you drown
