A sudden calm inside of me
Now everything is better
Together in a safe warm place
I remember when I met you
I took your hand
You guided me
Even felt much clever
Bought your love
Soft and white
Just a soft pink letter

Breathe for me
Breathe for me
Breathe for me
We can be together
If you breathe for me

All the trees have lost their leaves
It's hard to lift my eyes
Haven't seen the sun for weeks now
Is it day or night?

Can't remember where I met you
Don't know if I'm here
Think I need a little help to
Take away my fear

Breathe for me
Breathe for me
Breathe for me
We can be together
If you breathe for me

Breathe for me
Breathe for me
Breathe for me
Put your hands in my hands
You can bleed for me

Could you breathe for me?
