The ocean is creeping in  
Closer each day with every sin  
Now when did our life begin?  
The ocean keeps rolling in

The night is oh so dark  
And that dog will howl and bark  
And your face is oh so stark  
The ocean is creeping in

The ocean is creeping in  
Closer each day with every sin  
My heart is caving in  
The ocean keeps rolling in  
The ocean keeps rolling in

Now another long year has passed  
And I don't know how long we'll last  
I can hear your distant laughs  
And the ocean keeps rolling in

And the sun seems oh so clear  
I can hear its hiss and sneer  
My stomach it starts to burn  
Oh God let's hope we learn

The ocean is creeping in  
With each and every sin  
My hearts still caving in  
The ocean keeps rolling in  
The ocean keeps rolling in

Stay with me, it's hard to breathe  
Lay with me, please don't leave now  
Close your eyes, don't miss a beat now

The ocean keeps rolling in  
The ocean keeps rolling in  
The ocean keeps rolling in  
The ocean keeps rolling in
