Every time you meet me  
Your heart goes "boom"  
But mine just falling down  
And I'm leaving the room

Every time you call me  
My machine says I'm not home  
But in fact I'm just in another room  
And playing with another man

Hey no hell  
You don't turn me on  
I said  
Hey no hell  
Could you please stop  
Hey no hell  
I don't want you know  
Stop moving closer now

You say you want me badly  
I say you're just another freak  
you call me honey baby,  
I call you a creep  
There's no room for you,  
I don't need no silly guy  
Who runs after me like crazy

Hey no hell  
You don't turn me on  
I said  
Hey no hell  
Could you please stop  
Hey no hell  
I don't want you know  
Stop moving closer now

Don't you know that no means no?  
Could you please stop hanging around me now?  
You're getting on to me

Hell, hell..!

Hey no hell  
You don't turn me on  
I said  
Hey no hell  
Could you please stop  
Hey no hell  
I don't want you know  
Stop moving closer now

Hey no hell!  
Hey no hell!  
Hey no hell!
