Between the mouth and the glass I wonderâ€¦stutter to
myselfâ€¦squint as I go cold all
overâ€¦shakingâ€¦talking to the self

What's she say? "You're wide awake." Clarityâ€¦it's not
working
Sleep washes over as more bleached uneaseâ€¦adjust
the drugâ€¦it's not working
Caustic sightâ€¦focus the meansâ€¦clarity lacks in
dreams
Feel around, peak, then up the dose

A taste , but it won't help
The husk still licking
At night â€¦re-transmit
Seeking searching
Every (added) pill a blank
Nights like beaching
Weak from atrophy
Can't eat while(I'm) sleeping

Close The cabinetâ€¦(he)grinsâ€¦no printsâ€¦to hold
some moisture inâ€¦block the twitch corpse head from
falling overâ€¦laughingâ€¦the bed becomes his cell

What's she say? "You're wide awake." Clarityâ€¦it's not
working
Sleep washes over as more bleached uneaseâ€¦adjust
the drugâ€¦it's not working
Caustic sightâ€¦focus the meansâ€¦clarity lacks in
dreams
Feel around, peak, then up the dose

Not quite, but you're still a rubber soulâ€¦
Like while(BLANK) blooms wilt...death stems grow

Death (she) pulls me out to dryâ€¦grabs my
shouldersâ€¦blinks her eyes
A voice like sounds reverseâ€¦negative a body lapse is
her
She glows but does not shineâ€¦with herâ€¦
(blank)â€¦.and pale envy eyes

Flat colors by designâ€¦Skin as plain as contentment's
sigh
She pulls me out to dryâ€¦barely alive

What's she say? "You're wide awake." Clarityâ€¦it's not
working
Sleep washes over as more bleached uneaseâ€¦adjust
the drugâ€¦it's not working
Caustic sightâ€¦focus the meansâ€¦clarity lacks in
dreams
Feel around, peak, then up the dose
