Girl, girl, I've known you very well  
I've seen you growin' every day  
I never really looked before  
But now you take my breath away

Suddenly you're in my life  
Part of everything I do  
You got me working day and night  
Just tryin' to keep a hold on you

Here in your arms I found my paradise  
My only chance for happiness  
And if I lose you now, I think I would die  
Oh, say you'll always be my, baby  
We can make it shine  
We can take forever just a minute at a time

More than a woman  
More than a woman to me  
More than a woman, oh my baby  
More than a woman to me

There are stories old and true  
Of people so in love like you and me  
And I can see myself  
Let history repeat itself

Reflecting how I feel for you  
Thinkin' 'bout those people then  
I know that in a thousand years  
I'd fall in love with you again

This is the only way that we should fly  
This is the only way to go  
And if I lose your love, I know I would die  
Oh, say you'll always be my baby  
We can make it shine  
We can take forever just a minute at a time

More than a woman  
More than a woman to me  
More than a woman, oh my baby

More than a woman to me
