Listen to the ground
There is movement all around
There is something goin' down
And I can feel it

On the waves of the air
There is dancin' out there
If it's somethin' we can share
We can steal it

And that sweet city woman
She moves through the light
Controlling my mind and my soul
When you reach out for me
Girl, and the feelin' is right

Then I get night fever, night fever
We know how to do it
Gimme that night fever, night fever
We know how to show it

Here I am
Prayin' for this moment to last
Livin' on the music so fine
Borne on the wind
Makin' it mine

Night fever, night fever
We know how to do it
Gimme that night fever, night fever
We know how to show it

In the heat of our love
Don't need no help for us to make it
Gimme just enough to take us
To the mornin'

I got fire in my mind
I get higher in my walkin'
And I'm glowin' in the dark
I give you warnin'

And that sweet city woman
She moves through the light
Controlling my mind and my soul
When you reach out for me
Girl, and the feelin' is right

Night fever, night fever
We know how to do it
Night fever, night fever
We know how to show it

Here I am
Prayin' for this moment to last
Livin' on the music so fine
Borne on the wind
Makin' it mine

Night fever, night fever
We know how to do it
Gimme that night fever, night fever
We know how to show it

Gimme night fever, night fever
We know how to do it
Gimme that night fever, night fever
We know how to show it

Gimme night fever, night fever
We know how to do it
