(DAVE)

Had many hard times, had many struggles. (struggles)
Fought many battles, had many troubles.
They said you could not do it, but you did.
Said you were a loser, you'd never win.
But in the end... you're a CHAMPION!

(chorus)

No more heartbreak,
No more pain,
You're in paradise,
Now breath again.
You're a winner,
You're number one,
So lift your hands up,
You're a CHAMPION! You're a CHAMPION!

(JEVON)

You thought it was finished, thought it was all over.
But if it's not one thing, then it's another.
You took all that you could take.
Ran out of tears, but didn't run away.
No, it's not right. But you'll be okay.

(Chorus)

You're a winner. You're number one
So lift your hands up. You're a CHAMPION, Champion!

You're a winner. You're number one
So lift your hands up. You're a CHAMPION!
You can breathe now. Your work is done
So lift your hands up. You're a CHAMPION!
