Mmm, mmm
Can a rose petal live without water drops?
Can my heart live without you?
Surely not
Cuz a rainbow is what you gave me everyday
Now I can't go on
I'm devistated
Cuz you're not here
Girl, I know you're not
In the mood for apologies
But it's killin' me to think
Of what I've done to you
But I realize that I was wrong
And I, I don't wanna change
Destiny (we're destiny)
You and me, ooh, can't you see?
Destiny (we're destiny, ooh girl)
Now I had to face it
The pain you feel from the man
Who says he loves you
And inside of all my tears, is fear
That you'll never forgive me
Ooh, I need a sign that you'll remember
That vow that holds us baby
Cuz true love is never unofficial
It's always pure
Girl, I know you're not
In the mood for apologies
But it's killin' me to think

Of what I've done to you
But I realize that I was wrong
And I, I don't wanna change
Destiny (we're destiny)
You and me, ooh, can't you see?
Destiny (we're destiny, ooh girl)
Mmm, ah
Whoa oh
Oh, oh, oh
Oh, oh, oh, oh, oh
Girl, I know you're not
In the mood for apologies

But it's killin' me to think
Of what I've done to you
But I realize that I was wrong
And I, I don't wanna change
Destiny (we're destiny)
Destiny
Girl I know that I mistreated you
I know that I can't live without you
I know that I mistreated you
I know that I can't live without you
I realize
That I was wrong
And I, I don't wanna change
Destiny, yeah (we're destiny)
Destiny, yeah
Oh, our destiny (we're destiny)
Destiny
(We're destiny)
Come on back baby, ooh
I love you
