(Oh Oh Oh) It's forever baby from this day forth just me
and you (forever baby) I love you sweet heart listen

Verse 1:

From this day I must this day I trust
From this day there's no more me only us
From this day I will this day I feel
From this day it's gonna be oh so real so much
I remember people say it wouldn't be
but with my tux on and your beautiful gown
we'll make history

Chorus:

Forever and ever through good and bad weather
our love will remain even though the seasons may
change
Forever and ever for worse or for better
our love will remain even though the seasons may
change
(hmm hmm hmm)

Verse 2:

From this day I find this day your mines
From this day I'm sure about what love has done
From this day a dream this day a team
From this day God has bless me with everything and
then some
I remember people say it wouldn't be
but with my tux on and your beautiful gown
we'll make history

Chorus:

Forever and ever through good and bad weather
our love will remain even though the seasons may
change
Forever and ever for worse or for better
our love will remain even though the seasons may
change
(seasons may change)

Verse 3:

I just want to live my life for you and only you
I just want to (to) be (be) here with me for eternity

(oh oh) oh forever oh forever

Chorus:

Forever and ever through good and bad weather
our love will remain even though the seasons may
change

Forever and ever for worse or for better
our love will remain even though the seasons may
change

Forever and ever through good and bad weather
our love will remain even though the seasons may
change

Forever and ever for worse or for better
our love will remain even though the seasons may
change
(yeah forever)

Forever and ever (yeah yeah forever)
Forever and ever yeah (with this ring I thee wed)
Forever and ever (told you long time ago I will love you
forever baby)
Forever and ever yeah (oh I will)
Forever and ever (going to do everything I can baby)
Forever and ever yeah (oh oh forever)
Forever and ever (forever)
Forever and ever yeah
