Talking

Baby listen to me for just 1 second  
I'm sorry  
What happened between me and her  
It's over

Verse 1

I was wrong..em  
I let a lonely night get between us em em  
When you were out of town I creeped on you  
But then shorty em em  
She didn't mean anything to me  
I little my little man think  
Messed up our family  
Please forgive me baby it's over  
This is what I told her

Chorus

Don't call me no more (no no)  
Forget my number (forget my number girl)  
I'm with my favourite girl (emm)  
She's the women that I love  
I know I was wrong (I was wrong)  
Making love to her and gettin you strung  
I'm with my favourite girl  
She's the one that I adore

Verse 2

Listen

I was so damn wrong lady  
I let you down a brought tears to your eyes  
But even then you stayed in my corner  
Now I can't ... I can't imagine life without you  
Cause your the best thing that ever happened to me  
That's why I had to tell her...don't call me no more

Chorus (ad libs change)

Bridge

So don't leave me baby I'm down on my knees  
But it's over I told her...(she's the one that I adore)  
Let me dry your tears cause I feel your pain  
But it's over she knows...(she's the one that I adore)  
There's no more tears to cry for you  
And it hurts me more than you'll ever know  
And I said this to her...(she's the one that  
I)...adooooorrrre

Chorus (ad libs change)

[repeat to fade]
