Hands down, you got to be the most beautiful girl I've
seen
Need to know how to get you in my life out of my
dreams
Heaven must have made a mistake and let you go
Gotta be one of a kind, ain't no more like you, you're
original

(It's okay)
Be my lady
(It's okay)
Won't you have my baby?
(It's okay)
Later maybe we can go somewhere and get crazy

(It's okay)
Let's make it happen
(It's okay)
We can get this thing crackin'
(It's okay)
Let me know, open up your mouth, girl, tell me so

If I let you out of my sight you might get away
So I'm doing all that I can to convince you to stay
You don't know me, when I'm feeling like that is about
to change
I trade anything that I got just to hear you call my name

Pretty brown eyes, chocolate covered thighs
Skin smooth as butter just the way I like
Maybe I'm just stupid but I could have swore
You were staring at me when I walked in the door

Come on over here, I got something for you
Baby, don't be scared, I just want to love you
If you're feeling me like I'm feeling you
Go ahead and tell me what you wanna do

(It's okay)
You can be my lady
(It's okay)
Won't you have my baby?

(It's okay)
Later on maybe we can go somewhere and get crazy

(It's okay)
We can make it happen
(It's okay)
We can get this thing crackin'
(It's okay)
Baby, let me know, open up your mouth and tell me so

Let me put you on, on my witness stand
Baby testify, say that I'm your man
Looking at ya some, tell me that you'll do my time with me

If there anything that I'm guilty of
Girl, it's got to be sweetest kind of love
Sentenced me to life, put me away, it's okay

(It's okay)
Be my lady
(It's okay)
Won't you have my baby?
(It's okay)
Later on maybe we can go somewhere and get crazy

(It's okay)
Let's make it happen
(It's okay)
We can get this thing crackin'
(It's okay)
Baby, let me know, open up your mouth and tell me so

(It's okay)
To be my lady
(It's okay)
Won't you have my baby?
(It's okay)
Later on maybe we can go somewhere and get crazy

(It's okay)
We can make it happen
(It's okay)
Won't you get this thing crackin'
(It's okay)
Baby, let me know, open up your mouth and tell me so
