Ohh, ohh, ohh
Ohh, ohh
Ohh, ohh

You're the private girl, the side girl
You're the best ride I ever had, girl
You're the one I make up more lies to see
But you can't keep callin' my phone
When you know I got a wifey at home
But you still call, are you tryin' to break up my thang?
Told you to keep it on

Told you to keep it on
The down low so no one knows
That I see you on the side
But you can't have me
So you told everybody
That I see you on the side

Told you to keep it on
The down low so no one knows
That I see you on the side
But you can't have me
So you told everybody
That I see you on the side

You're the real girl, the keep it real girl
And I understand how you feel, girl
But I just can't give up my girl for you, no
But you're sayin' you can have it
No one else can, you better understand
Gonna stop runnin' 'round, tellin' your friends, ohh

Told you to keep it on
The down low so no one knows
That I see you on the side
But you can't have me
So you told everybody
That I see you on the side

Told you to keep it on
The down low so no one knows

That I see you on the side
But you can't have me
So you told everybody
That I see you on the side

I know I put it on you
Now you can't get enough of me
I know you wanna be the
Girl I'm runnin' home to see
I know that I gave it
The way you want me to
I know that I'm not gon'
Give up my girl for you

Told you to keep it on
The down low so no one knows
That I see you on the side
But you can't have me
So you told everybody
That I see you on the side

Told you to keep it on
The down low so no one knows
That I see you on the side
But you can't have me
So you told everybody
That I see you on the side

Told you to keep it on
The down low so no one knows
That I see you on the side
But you can't have me
So you told everybody
That I see you on the side

Told you to keep it on
The down low so no one knows
That I see you on the side
But you can't have me
So you told everybody
That I see you on the side

Told you to keep it on
The down low so know one knows
That I see you on the side
But you can't have me
So you told everybody
That I see you on the side

Told you to keep it on
The down low so no one knows

That I see you on the side
But you can't have me
So you told everybody
That I see you on the side
