\*verse 1

I know you understand, all of the things  
that I go thru  
Lord can I talk to you  
Is that okay with you

Find myself staring at a wall, trying to make sense off it  
all  
Lord can you help me  
And before I wake my eyes, my soul begins to cry..  
Lord do you hear me

#Ref

Reach out to me (reach out your hand)  
Unleash your love on me  
There's so much going on in my life,  
it's like it's suffocating me (But I)  
Noone else in the world (I know, I know.. i know) nobody  
can (there is nobody like you lord)  
So God I'm asking you, please give me your hand  
Reach out to me..

\*verse 2

As time passes by, I see reflections of my life  
so crazy.  
cause as I accepted you I wouldn't go thru, but that's  
not true  
Now in my heart I know that you would never put more  
one me  
then i can bare..  
So although I can see what the end will be  
I know you'll be there for me  
Standing there waiting for me yeah

#Ref

Reach out to me (reach out your hand Lord)  
Unleash your love on me  
There's so much going on in my life,  
it's like it's suffocating me (But I know, I know there's

noone, noone)  
Noone else in the world (noone, noone) nobody can  
So God I'm asking you, please give me your hand  
Lord cover me cover me Lord  
Reach out to me..

#Bridge

4x Oh Lord hear me,

#Ref & fade

Reach out to me  
Unleash your love on me  
There's so much going on in my life,  
it's like it's suffocating me  
Noone else in the world, nobody can  
So God I'm asking you, please give me your hand  
Lord cover me cover me Lord  
Reach out to me..
