Surprise girl  
I know you're shocked to see me  
Did you ever get the messages that I left  
Or the flowers that I left to your desk at work?  
And I know it's been a while baby since we talked

But I heard this look rebound  
You was gonna get married today, why?  
Not before you say your thing!  
Baby, just thing!

Hook:  
Now you kept it from me  
Oh, you got it all planned out  
You was gonna say, 'I do' to another guy  
I'm gonna let you spend forever with the rebound  
Rebound (rebound), rebound (rebound)  
Rebound (rebound), rebound (rebound)  
You was gonna say, 'I do' to another guy  
Baby, we're talking forever with the rebound!

Don't cry, girl! Even though the church is packed  
I got my car back and we can travel away to a place  
where we can hide.  
I know you're scared, your whole body's shaking  
Someone's coming off the stairs and I hear your voice  
saying  
Pam, pam, pam  
(Are you ready?  
Everybody's waiting!  
It's you're big day!  
Come on, let's go!)

Hook:  
Now you kept it from me  
Oh, you got it all planned out  
You was gonna say, 'I do' to another guy  
I'm gonna let you spend forever with the rebound  
Rebound (rebound), rebound (rebound)  
Rebound (rebound), rebound (rebound)  
You was gonna say, 'I do' to another guy

Baby, we're talking forever with the rebound!

Baby, you look so beautiful in your wedding dress  
Look, look, baby stop crying, you're messing up your  
make-up!

Look, I'm the reason you're in this church in the first  
place

With somebody else.

I'm sorry, baby!

Look, do you love him?

I mean, do you really love him?

I'm waiting on the' everyday

Hook:

Now you kept it from me

Oh, you got it all planned out

You was gonna say, 'I do' to another guy

I'm gonna let you spend forever with the rebound

(You know you love me, baby!)

Rebound (rebound), rebound (rebound)

Rebound (rebound), rebound (rebound)

You was gonna say, 'I do' to another guy

Baby, we're talking forever with the rebound!

(I can't explain while the stars shine, baby]

I can't explain a lot of things

But I know this

I know you belong to him!)
