All the time we spent, girl I thought it would mean more
to you

But I guess it didn't mean that much to you
'Cause you're telling me that you love me
But you keep giving me such a hard time at home

Sometimes I feel like I don't know where to go
Sometimes I feel like I should just move on
'Cause even when we're right, we're so wrong
And I don't know what to do at all

So, tell me why should I believe what you say to me
When I know that you've lied time after time
I don't know what to do, what should I say to you
To make you understand me

I can't do this, I can't live like this, 'cause we're at a
dead end
Don't know where to begin, where do we go, I need to
know

Give me one reason why, why you're always tryin' to
mess with my mind
All we do is fuss and fight all the time, it's like the tug
of war
I can't do it no more, 'cause it seems like I can't win for
losing
When it comes to you, tell me why you've changed
Why you're so brand new

See I don't understand, please help me understand
'Cause I'm so confused and all I really want is you

So tell me what you want from me
All I want to do, is be the man that you need
But I can't do it all by myself
Girl, I need some help
All I really wanted to be

I want to be with you but I don't want to be a fool
I'm tired of all the pain, baby can we change the game
'Cause we're not happy here but I do know one thing's

real
That my love is here with you

Tell me, why should I believe what you say to me
When I know that you've lied time after time
I don't know what to do, what should I say to you
To make you understand me

I can't do this, I can't live like this 'cause we're at a
dead end
Don't know where to begin, where do we go, I need to
know

Tell me, why should I believe what you say to me
When I know that you've lied time after time
I don't know what to do, what should I say to you

I can't do this, I can't live like this 'cause we're at a
dead end
Don't know where to begin, where do we go, I need to
know

Tell me, why should I believe what you say to me
When I know that you've lied time after time
I don't know what to do, what should I say to you
To make you understand me

I can't do this, I can't live like this
