Goodfellas Allstar check me

Now first of all let me say that I've been through it all,
which simply means
that I seen it all and in between girl I done it all, ohh
yeah and you can bet
that I know first hand the regret and the pain you feel
when love is left
behind. Although nothing hurts as much as the pain
that comes from knowing the
one you love the one you gave your very heart and soul
to trust mmm hmm it's a
shame cause they don't feel the same. So tell me...

Whats a man to do, when you don't got love for me
baby,
Whats a man to do, ohh how hard I tried to get through
to you,
Whats a man to do, don't you see I got love for you
baby
I love you

I spend nights all alone trying to find the strength
somewhere to pick up the
phone and call out to you so you can come on home
mmm you don't think so but
this is where you belong. And I'm trying, trying not
show I'm breaking down
inside, but heart is wondering who your with tonight
mmmm maybe someday your
feelings will be the same as mine. So tell me...

Whats a man to do, when you don't got love for me
mmm,
Whats a man to do, ohh how hard I tried,
Whats a man to do, can't you see I got love, Yes I do
I love you, Oh tell me tell me

Whats a man to do, when you don't got love for me
baby,
Whats a man to do, ohh how hard I tried to get through
to you,

Whats a man to do, don't you see I got love for you
I love you

I'll give you all I got I'm not trying to be alone got a lot
of love to give
baby can you hear me don't walk away what I'm trying
to say is your the one.

Whats a man to do, when you don't got love for me
baby,
Whats a man to do, ohh how hard I tried to get through
to you,
Whats a man to do, don't you see I got love for you
baby
I love you
