Legend has it he walks among us even now  
Alone in a world between dreams and reality  
Was he always a fighter?  
Was he always a hero?  
What do we make of the young Chuck Norris?

Norris used his hands and his feet  
And he kicked and he punched with his hands and his feet.  
And he kicked and he punched with Mr. Bruce Lee  
In Master of Kara-ta-ta-tee.  
And he kicked and he flipped some more  
Back to Veitnam to settle the score.  
Don't forget Walker Texas Ranger  
When he kicked and he punched his way from danger.

But, hey, let's turn back time  
To younger days (to younger days)  
Before all of the fame  
And mind games (mind games)  
His deeds were no less strengthened.  
A man among other men.  
The legend of young Chuck Norris  
Yeah!

Young Norris used his hands and his feet  
And he kicked and he punched with his hands and his feet.  
He also ran and jumped in the air.  
He was younger so he didn't even care.  
Even before his Hollywood fame  
He slapped and punched himself a big name.  
He was known as Master Chuck.  
His last name was Norris and his first name was Chuck.

Roundhouse kick  
Chuck Norris  
Death-Hold grip

Mustached lip  
Chuck Norris

Tender kiss  
Chuck Norris (Yeah yeah yeah yeah!)

Fathers let your daughters know  
Dreams may come and dreams may go.  
But a man like Norris never dies.  
He lives forever in the children's eyes.

Young Chuck Norris  
This is my tribute to thee (tribute to thee)  
Live on brave warrior  
Into eternity.  
Yeah yeah!
