Lost souls caught in twilight,
Where our darkness never ends.
? to an ever-lasting night,
And so I leave my life in your caress.

Life and death,
Two and one,
Hate and love,
Moon and sun.

On an endless quest of trust,
All my love that is not lost,
And the secrets of the rising sun.
On an endless quest of trust,
All my love that is not lost,
Haunted lovers have become the ones?

I know you well,
Where your spirit? can't dwell,
Death's no shelter,
But?

Life and death,
Two and one,
Hate and love,
Moon and sun.

On an endless quest of trust,
All my love that is not lost,
And the secrets of the rising sun.
On an endless quest of trust,
All my love that is not lost,
Haunted lovers have become the ones?

Sometimes I blindly fall,
And then you hear me call.
Down my frenzy and my fire,
Can you feel all this desire?

Life and death,
Two and one,

Hate and love,
Moon and sun.

On an endless quest of trust,
All my love that is not lost,
And the secrets of the rising sun.
On an endless quest of trust,
All my love that is not lost,
Haunted lovers have become the ones?
