We are like ? when they stand a cry?  
??? down the rain  
He asks death, but you shall rise  
??? do this ??? sky

I plunge in ? and flame,  
Suffer every shame and blame.  
What ear would hear me if I cried,  
What could I do to stand ???

Time ??? the shimmery veil,  
To the black? starts to run.  
I'm not drawn upon to be  
The dark gift.

Your heart that cannot lie,  
Your love is true, you greedy soul  
??? won't ? no more,  
New life will come as your tears will dry.

I plunge in ? and flame,  
Suffer every shame and blame.  
What ear would hear me if I cried,  
What could I do to stand ???

Time ??? the shimmery veil,  
To the black? starts to run.  
I'm not drawn upon to be  
The dark gift.

???  
??? velvet soft  
???  
??? velvet soft

Time ??? the shimmery veil,  
To the black? starts to run.  
I'm not drawn upon to be  
The dark gift.

Time ??? the shimmery veil,

To the black? starts to run.  
I'm not drawn upon to be  
The dark gift.
