Any time I need to see your face
I just close my eyes and I am taken
To a place where your crystal mind and
Magenta feelings taken shelter in the base
Of my spine sweet like a DRINK OF cherry cola

I don't need to try and explain I'm just
So darn tired and if it happens again
I'll just move so slightly to the arms
And the lips and the face and the human
Cannonball, I need to I want to
Come stand a little bit closer, breathe in and
Get a bit higher you'll never know what hit you
When I get to you

Ohh I want you I don't know if I need you but
Ohh I would die to find out
Ohh I want you I don't know if I need you but
Ohh I would die to find out

I'm the kind of person who indorses a deep
commitment
Getting comfy getting perfect is what I live for
But I'm looking and the smell perfume It's like I'm down
on the
Floor and I don't know what I'm in for

Conversation is time and place of the interaction of a
lover
And the nick of time over talkin using signals,
Using words can be likened to a deep sea diver who is
swimming with a raincoat
Come stand a little bit closer, Breathe in and get a bit
higher you'll
Never know what hit you when I get to you

Ohh I want you I don't know if I need you but
Ohh I would die to find out
Ohh I want you I don't know if I need you but
Ohh I would die to find out

Any time I need to see your face
I just close my eyes and I am taken
To a place where your crystal mind and
Magenta feelings taken shelter in the base
Of my spine sweet like a DRINK OF cherry cola

I don't need to try and explain I just
Hold on tight and if it happens again
I might move so slightly to the arms
And the lips and the face and the human
Cannonball, I need to I want to

Ohh I want you I don't know if I need you but
Ohh I would die to find out
Ohh I want you I don't know if I need you but
Ohh I would die to find out (so can we find out)

Ohh I want you I don't know if I need you but
Ohh I would die to find out
Ohh I want you I don't know if I need you but
Ohh I would die to find out

Ohh I want you I don't know if I need you but
Ohh I would die to find out
Ohh I want you I don't know if I need you but
Ohh I would die to find out (die to find out)

Ohh I want you I don't know if I need you but
Ohh I would die to find out
Ohh I want you I don't know if I need you but
Ohh I would die to find out
