And she takes another step, slowly she opens the door
Checks that he sleeping, pick up all the broken glass,
And furniture on the floor
Been up half the night screaming now it's time to get
away
Pack up the kids in the car
Another bruise to try and hide
Another alibi to ride

Another ditch in the road you keep movin'
Another stop sign, you keep movin' on
And the years go by so fast
Wonder how I ever made it through

There are children to think of
Babies asleep in the backseat
Wonder how they'll ever make it through this living
nightmare
But the mind is an amazing thing
Full of candy dreams and new toys and another cheap
hotel
Two beds and a coffee machine
But they are groceries to buy and she knows she'll
hafta go home

Another ditch in the road, you keep moving
Another stop sign, you keep moving on
And the years go by so fast
Wonder how I ever made it through

Another bruise to try and hide
Another alibi to ride
Another lonely highway in the black of night
There's hope in the darkness, you know you're gonna
make it

Another ditch in the road you keep moving
Another stop sign, you keep moving on
And the years go by so fast
Sellin' fortress built to last (???)
Wonder how I ever made it...

Ooooh...
Mmmm...
