When I'm down on my luck and I'm searching for my soul
When I'm feeling too much and I start to lose control
When I'm down so low that even enemys still wanna know
You still care for me, say a prayer for me, and I know

Ooh I like you hanging around
Cause you lift me up when I am upside down
Ooh you're my favorite sound
Cause you're always down for
Lifting me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
When your arms all around me
I don't wanna let you go

When I'm lost along the way and I can't face another day
And if I stumble on the road and if I can't carry the load
If I lose my faith, kindness, generosity
Would you hold my hand?
Say you understand my pain

It's been a long hard road and it's only just begun my friend
And this I know you help me carry the load
Cause you're always down for

Lifting me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
When you're always around..
You're my favorite sound

Lift me up like an angel when I hit the ground
Feel your arms all around me when I'm feeling down
Lift me up like an angel when I hit my low
When your arms all around me
I don't wanna let you go
