Here I go again I promised myself I wouldn't think of  
you today  
It's been seven months and counting  
You've moved on  
I still feel exactly the same  
It's just that everywhere I go all the buildings know your  
name  
Like photographs and memories of love  
Steel and granite reminders  
The city calls your name and I can't move on

Ever since you've been gone  
The lights go out the same  
The only difference is  
You call another name  
To your love  
To your lover now  
To your love  
The lover after me

Am I all alone in the universe?  
There's no love on these streets  
I have given mine away to a world that didn't want it  
anyway  
So this is my new freedom  
It's funny I don't remember being chained  
But nothing seems to make sense anymore  
Without you I'm always twenty minutes late

Ever since you've been gone  
The lights go out the same  
The only difference is  
You call another name  
To your love  
To your lover now  
To your love  
The lover after me

And as time goes by so slowly  
The nights are cold and lonely  
I shouldn't be holding on

But I'm still holding on for you

Here I go again, I promised myself I wouldn't think of  
you today

But I'm standing at your doorway

I'm calling out your name because I can't move on

Ever since you've been gone

The lights go out the same

The only difference is

You call another name

To your love

To your lover now

To your love

The lover after me
