I believe the sun should never set upon an argument  
I believe we place our happiness in other people's  
hands  
I believe that junk food tastes so good because it's bad  
for you  
I believe your parents did the best job they knew how to  
do  
I believe that beauty magazines promote low self  
esteem  
I believe I'm loved when I'm completely by myself alone

I believe in karma what you give is what you get  
returned  
I believe you can't appreciate real love 'til you've been  
burned  
I believe the grass is no more greener on the other side  
I believe you don't know what you've got until you say  
goodbye

I believe you can't control or choose your sexuality  
I believe that trust is more important than monogamy  
I believe your most attractive features are your heart  
and soul  
I believe that family is worth more than money or gold  
I believe the struggle for financial freedom is unfair  
(Is unfair)  
I believe the only ones who disagree are millionaires

I believe in karma what you give is what you get  
returned  
I believe you can't appreciate real love 'til you've been  
burned  
I believe the grass is no more greener on the other side  
I believe you don't know what you've got until you say  
goodbye

I believe forgiveness is the key to your own happiness  
I believe that wedded bliss negates the need to be  
undressed  
I believe that God does not endorse TV evangelists  
I believe in love surviving death into eternity

I believe in karma what you give is what you get  
returned  
I believe you can't appreciate real love 'til you've been  
burned  
I believe the grass is no more greener on the other side  
I believe you don't know what you've got until you say  
goodbye

I believe in karma what you give is what you get  
returned  
I believe you can't appreciate real love 'til you've been  
burned  
I believe the grass is no more greener on the other side  
I believe you don't know what you've got until you say  
goodbye  
Until you say goodbye

Ohh no no no no
