I never thought I'd change my opinion again
But you moved me in a way that I've never known
You moved me in a way that I've never known

But straight away you just moved into position again
You abused me in a way that I've never known
You abused me in a way that I've never known

So break me, shake me, hate me, take me over...
When the madness stops, then you will be alone
Just break me, shake me, hate me, take me over...
When the madness stops, then you will be alone

Oh-nɔ̃³/₄, oh-nɔ̃³/₄, oh-no

So you're the kind who deals with the games in the mind
You confused me in a way that I've never known
You confused me in a way that I've never known

So break me, shake me, hate me, take me over...
When the madness stops, then you will be alone
So won't you break me, shake me, hate me, take me over?
When the madness stops, then you will be alone

Oh-nɔ̃³/₄, oh-no

She says "I can help you, but what do you say?
But it's not free baby, you'll have to pay"
You just keep me contemplatin', that your soul is slowly fadin'

God don't you know that I live with a ton of regret?
'Cause I used to move you in a way that you've never known
But then I accused you in a way that you've never known
But you hurt me in a way that I've never known

Break me, shake me, hate me, take me over...
When the madness stops, then you will be alone

So won't you break me, shake me, hate me, take me over?

When the madness stops, then you will be alone

(Listen, baby)

Break me, shake me, hate me, take me over...

When the madness stops, then you will be alone

Break me, shake me, hate me, take me, make me

Fake me, break me, shake me, hate me, take me...

Break me!
